Attendance Policy

RATIONALE

The Education Act 1972 requires that children of compulsory school age be enrolled at school. The Compulsory Education Legislation requires children of up to the age of 17 years participate in a full time approved learning program. A condition of enrolment is that a student is required to fully participate in the education program arranged and approved by the enrolling school. Such participation is to include engagement and attendance as required by the program.

If students miss the basic skills taught in the early years of schooling they often experience learning difficulties later on. Research has indicated that:

- Irregular attendance in the early years can lead to poor patterns of attendance in primary years;
- Poor attendance makes it difficult for students to form positive relationships with their peers;
- There is a direct correlation between attendance and achievement.

We are committed to providing a safe and supportive learning environment for all students which addresses their educational needs.

We expect students to be at school all day, every school day. This means that students will be in class ready to start learning at 8.50am and remain until 3.10pm.

Our attendance policy aims to ensure that students are reaching their full potential by attending school all day, every day and where that is not possible, our attendance policy sets out procedures to minimise the impact of non-attendance.

It is important that students, staff and parents / carers have a shared understanding of the importance of attending school.

EVERY DAY COUNTS

We are committed to assisting our community to understand the impact poor attendance has on learning and will therefore work to develop an understanding about the impact with information like the following:

<table>
<thead>
<tr>
<th>If your child misses…</th>
<th>That equals…</th>
<th>Over 13 years of schooling, that’s…</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 hour per week</td>
<td>7 days / 1 ½ weeks per year</td>
<td>Just under half a year</td>
</tr>
<tr>
<td>1 day per fortnight</td>
<td>20 days / 4 weeks per year</td>
<td>Nearly 1.5 years</td>
</tr>
<tr>
<td>1 day per week</td>
<td>40 days / 8 weeks per year</td>
<td>Over 2.5 years</td>
</tr>
<tr>
<td>2 days per week</td>
<td>80 days / 16 weeks per year</td>
<td>Over 5 years</td>
</tr>
</tbody>
</table>

There is a direct correlation between attendance and achievement.

We would need a further communication from the parent on Tuesday). Alternatively, if the parent knows on Monday that their child will not be at school Tuesday, they can let us know when they contact us on Monday.

RESPONSE TO ABSENCES

When a student is absent without explanation for 3 days we will take the following action...

- Send a SMS reminding the parent of their obligations.
- Ring the parent to discuss the non-attendance.
- If there is no response to a SMS or phone call, a report to Families SA may be made and we will refer the matter to the DECD attendance officer.
- When a pattern of absences has been identified or if a child has 10 or more absences without valid reason we will take the following action:
  - Send a letter to the parents asking them to meet with the School Counsellor.
  - The School Counsellor will meet with the parents to form an agreement on how to improve the attendance.
  - If attendance does not improve a referral to the DECD attendance officer will be made.
